

Parents,

As many of you have been asking I figured it would be best to send out a blanket email once again to answer some additional questions you may have.

Uniforms – I just got the information and have sent all the details to the coaches. Please contact them or discuss at practice what the uniform color will be. Delivery of uniforms is still not scheduled however I have been assured that they will be in before opening day. When we have them all coaches will be notified to pick them up to distribute to their team. I assure you as I get information I am passing it along to the coaches.

Schedule – The delay in the schedule was because we had been waiting to find out from the Township what times we would be allowed to use the fields there since 37% of FYBA players are township residents. The Township delayed in getting back to us therefore you have not had your schedules yet. We were ONLY given Friday nights and Saturday mornings to play on the Township fields. That information is now in hand and I have begun scheduling all 171 games through the season while working around 19 coaches schedules and holidays to hopefully avoid teams being short players at any given time. The regular season schedule will be released by Sunday evening provided I have no last minute issues that come up that require my attention. Regular season schedules will be sent out to coaches and they will pass along either at practice or by email.

We currently have 222 kids enrolled in Coach pitch this year. Those kids are separated into 19 teams. I can get more done by responding to 19 coaches than I can if I need to respond to 222 parents. I ask you to PLEASE contact your coach and ask him if he has any information about the questions you may have. I again assure you if he does not have the information I do not either.

Thank you again for your time and understanding,

Jason Franck
VP Instructional League
